

Shoes and Slippers

C. M. van Waegeningh

Shoes

& Slippers

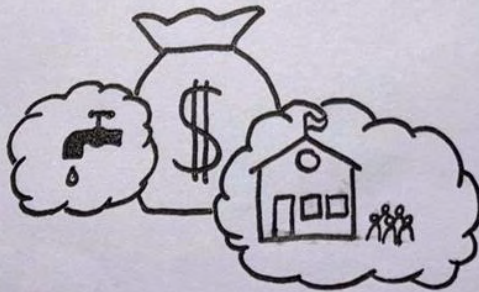

1. Relevance of this metaphor for my research

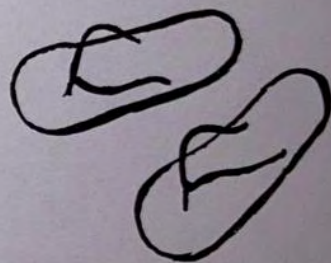

2. What insights obtained?

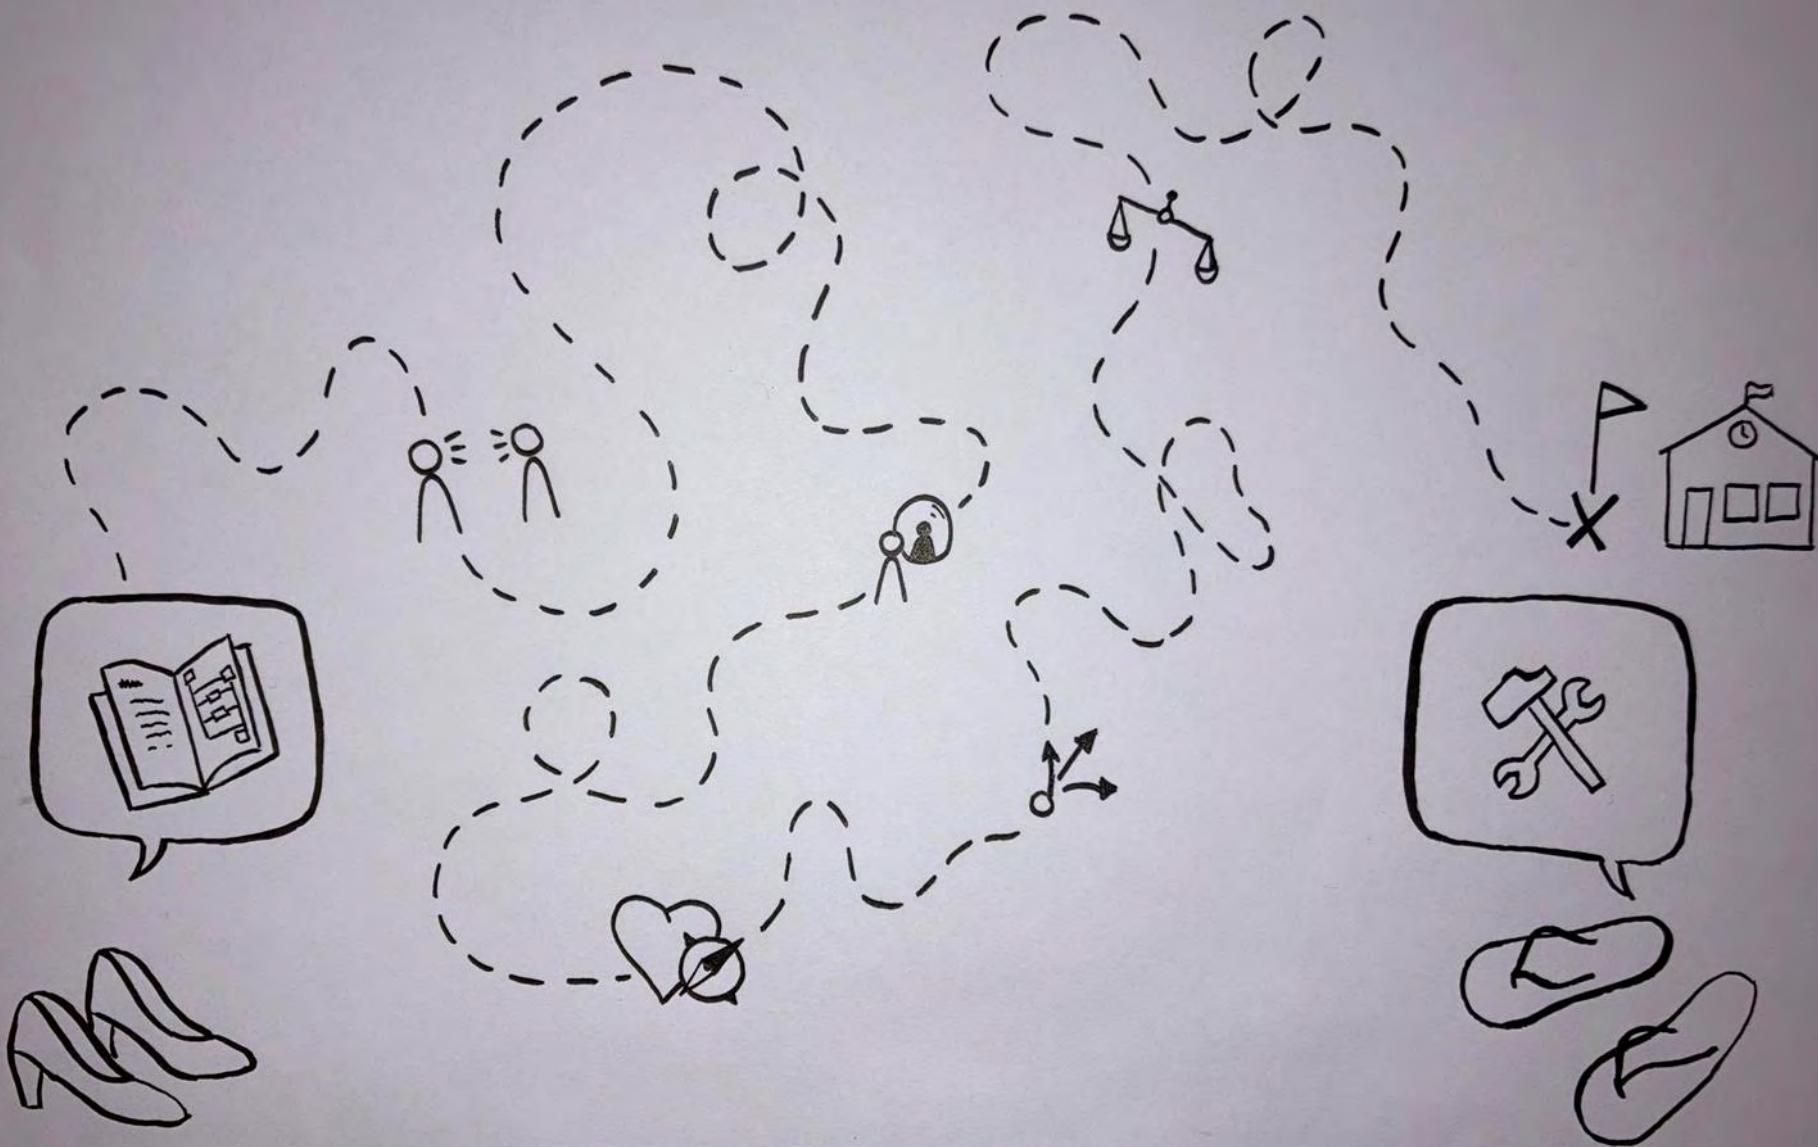

3. Why important ?

4. Sharing some in-between stories

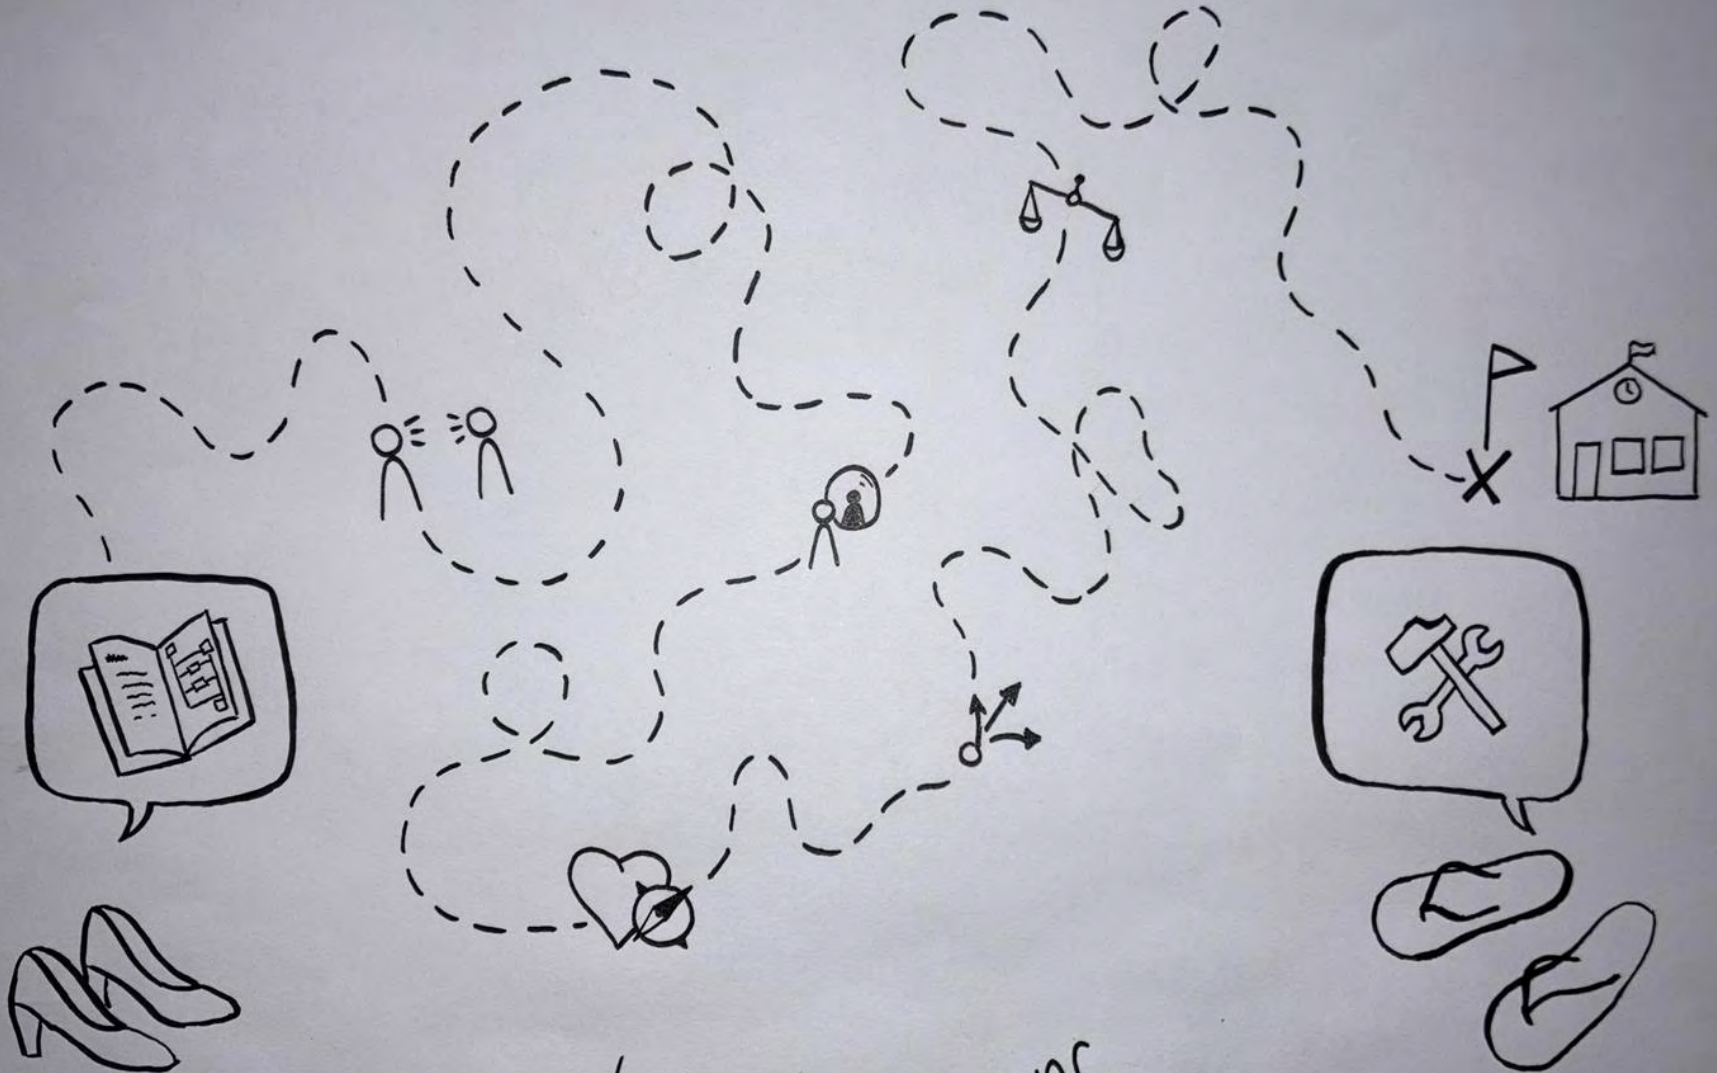

MUDDLING THROUGH

WORK BECOMING

DANK VOOR JULLIE AANDACHT !

Story sharing

- Reflecting upon your own working practices, do you have a concrete case of how you established cooperation and how development?

- Can you highlight why you did it the way you did.
- Was it of any relevance for the course of the development process?
